FEAR BRITISH RUNNERS.

England Strong in Distance Men for Olympic Games.

The hardest row the American ath Olympic games at London will be the ong distance events-long acknowledged as England's strongest branch in track distance men to wipe out the stain of double defeat the Americans inflicted at Athens two years ago. On Crabbe, Me-Gough, Anderson, and Hawtrey does she hiefly rely.

Factor in Big Event.

Choice When Horses Go to the Post This Afternoon,

New York, June 18 .- When F. A. Forsythe's three-year-old Pessara colt Dorante won the handicap, at a mile and a furlong, at Gravesend yesterday, turimen instantly tabbed him as a possible factor in the running of the \$25,000 Suburban Handicap at Sheepshead Bay to-morrow. Mr. Forsythe started Dorante in yesterday's event for the sole purpose of putting him to a test, as he was meeting Frank Gill and Montgomery, both of whom will start in the big race. Dorante carried 112 pounds, conceding one pound by the scale to Frank Gill, five to Mont. furlong, at Gravesend yesterday, turfmen

by the scale to Frank Gill, five to Montgomery, and being in receipt of six from Big Chief. He had the benefit of a great ride from J. Lee through the homestretch, but when he won by a neck he had the others dizzy.

In the Suburban Dorante will carry only 32 pounds and little Shreve will have the mount. Mr. Forsythe believes that with any kind of good racing luck Dorante will at least get a part of the rich prize, for the colt has been improving steadily, and is now at his best. In yesterday's race Dorante ran the nine furlongs in 1:52, two-fifths of a second slower than Gold Lady's track record, and he finished with so much stamina that if the race had been at a mile and a quarter to the collegian is said to be a heavy of the fayette University, will report to Roches ter, in he finished with so much stamina that if ranthe race had been at a mile and a quarter he might have won easily.

It was an odd fact that Dorante beat Montgomery who was bred and sold by Mr. Forsythe last year to Emil Herz for \$25,000. S. C. Hildreth has been pointing Montgomery for the Suburban, and has engaged Walter Miller to ride. Frank Gill looked like a cinch for yesterday's second: Lighthlus 105 (Warber) \$30.65, won; Charlotte Hamilton, 110 (Troxier), \$30.65, second; Chailce, 110 (Powers), \$13.26, third. Time, 1.31.45, Lady Leots, Harriet Howe, Lillian figuring out where he belonged. Manager Stallings returned him to the Yankees, and Clarke Griffith sent him back. Once
